11. PENALTY APPEALS PROCESS (DUE PROCESS)

The following describes: (1) notification of pending penalty; (2) how and when to appeal; (3) the limits of the appeals process; and (4) how to stay in and return to good standing.

1. Member officials will be notified of a violation and pending penalty by written Notification of Violation and Penalty from the BCBOA Executive Board to the official's Arbiter email address. The notification will describe the specifics of the violation(s) and penalty/penalties. The official can then either (1) agree to accept the penalty/penalties (penalties will be imposed 48 hours after the Notification of Violation and Penalty to the official), or (2) may stay in good standing by stating his/her intention to appeal the penalty to the BCBOA Executive Board and also paying assessed fines.

Statement of intent to appeal must be made by email to BCBOA Executive Board within 48 hours of Notification of Violation and Penalty.

2. A hearing to consider the official's appeal must be scheduled and held by the Board within two weeks of receipt of the member's statement of intent to appeal, unless both the member and the Board agree to a different schedule. If a member desires to appeal further, he/she may do so, first to: (1) the Grievance Committee; pending adjudication then to (2) the General membership; pending adjudication then to (3) the BCBA Director of Athletics. No further appeals past this stage will be accepted.

Member's statement of intent to further appeal must be made by email within 24 hours of each notification of denial of appeal.

The Grievance Committee, general membership, and Secretary for Athletics must respond in writing to the appeal within ten days of each one's receipt of the

member's statement of intent to appeal, unless a different time frame is mutually agreed to by the member and the agency to which he/she has appealed.

Members may appeal any penalty imposed by the BCBOA Board to the Grievance Committee according to the procedures established by the Grievance Committee.

3. The member official will remain in good standing (may continue to work assigned contests and receive new assignments) while the official's appeal to the Board is considered and decided on by the Board. If the official subsequently appeal to the Grievance Committee, then he/she will remain in good standing only until that official's appeal is reviewed and tendered by the Grievance Committee and then considered and decided on by the Board.

In cases where the Board has assessed a fine, the member official shall pay the fine within the prescribed time period in order to remain in good standing.

If an appeal of a fine is upheld, then the fine shall be rescinded and monies promptly returned to the member.

In cases where the appeal(s) of a time penalty fail or are partially upheld, then the assessed time penalty shall take effect immediately and carry over into the member official's next season if it cannot be completely fulfilled in the current season. Current season is defined as the first date for Girls Basketball Tip-Off through the last date of the official's eligibility to be assigned games.

4. Once assessed, fines must be received by the Treasurer not later than seven (7) days after the fine is assessed by the Board.

Fines shall be paid by credit card, check, cash, or money order or cashier's check made out to BCBOA. An official who fails to pay a fine within the prescribed time period shall be ineligible to officiate any further contests until the fine is paid and the check clears.

An official who submits a check to BCBOA, which is then returned unpaid shall be assessed a returned check fee of \$45.00, and shall make good on the returned check. Once an official is assessed a return check charge that official must make all further payments to BCBOA in cash, by postal money order, or by cashier's check, or credit card.

5. A member who does not follow the above grievance procedure is to be considered not to be in good standing and shall be ineligible to work any further assignments.
6. Appellate opinions of the Grievance Committee, General Membership and/or Secretary of Athletics are opinions. The Executive Board has final say on all Disciplinary decisions and can accept, modify or deny any appellate opinion.
